

National Family Caregiver Support Program

Program Quick Facts

- The National Family Caregiver Support Program (NFCSP) provides grants to states and territories to fund services and supports that help family and informal caregivers care for older adults in their homes for as long as possible.
- NFCSP provides information to caregivers about available services, assistance to caregivers in gaining access to the services, individual counseling, organization of support groups, caregiver training, respite care, and supplemental services.

The 2017 National Survey of OAA Participants tells us that caregivers frequently provide the following services:
