An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0985-0023. Public reporting burden for this information collection is estimated to average 35 minutes per response; response times may range from 20 minutes to 40 minutes. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to the Administration for Community Living/Administration on Aging, Washington, DC 20201 Attn: Amanda Cash, Administration for Community Living (ACL) Toll-free: 1-888-204-0271 or AoANationalSurvey@acl.hhs.gov

PROGRAMMING CONVENTIONS

During the computer-assisted telephone interview, variables and codes are used to indicate which type of interview is being administered as well as the current respondent for that interview.

The type of respondents are:

CG1 - **Caregiver** answering themselves

CG2 - Proxy answering for caregiver

CG3 - Translator/interpreter answering for caregiver

PG1 - **Case Management** being answered by participant

PG2 - Proxy answering for participant

PG3 - Translator/interpreter answering for participant

PC1 - **Congregate Meals** being answered by participant

PC2 - Proxy answering for participant

PC3 - Translator/interpreter answering for participant

PM1 - **Home-Delivered Meals** being answered by participant

PM2 - Proxy answering for participant

PM3 - Translator/interpreter answering for participant

PH1 - **Homemaker** being answered by participant

PH2 - Proxy answering for participant

PH3 - Translator/interpreter answering for participant

PT1 - **Transportation** being answered by participant

PT2 - Proxy answering for participant

PT3 - Translator/interpreter answering for participant

Displays such as pronouns and verbs are dependent upon the above-listed type of respondent. Some items use client and/or a caregiver's care recipient's name. Each respondent is also affiliated with an Area Agency on Aging (ADM.AGENCY) and a service provider (FIL.DispProvider).

INTRODUCTION

Hello, may I speak with ^SubjectIdentifier?

This is ^InterviewerName. I am calling on behalf of the U.S. Department of Health and Human Services' Administration for Community Living/Administration on Aging. We are conducting a survey to find out how we can help meet the needs of {caregivers and seniors/people} being served by ^Agency {through ^Provider/BLANK}. ACL recently sent you a letter about this survey.

Please tell me if you are currently driving a car or doing any activity that requires your full attention so I can call you back at a later time.

Just to make sure that I'm speaking to the correct person, your name is ^SubjectIdentifier. Is that correct?

INTRO1 FOR CG SERVICES AND SUBJECTS:

We show you have received caregiver support services from ^Agency to help you take care of ^TPName. We would like to know if these services have been helpful. [IF NEEDED: We got your name from ^Agency.]
